Blue Moon

How informative was the training session for you?

How interactive was the training session for you?

How organized was the flow of the training?

How well did you get to know the brand through the training?

Evaluate the trainer's overall manner and performance in conducting the training.

Feel free to write additional feedbacks here, or tell us how we can improve the trainings?

Today we attend the blue moon training it's very amazing we learn to much about blue moon
We like the training and the guy Roberto also very good person and good teacher also 👍👍
